Person In Context Assessment

Instructions: Please rate the extent to which each of your personality characteristics listed below are relevant to and influences how you think, feel, and behave in this situation. If the personality characteristic has no influence on how you think, feel, and behave in this situation, you would select "0" for "Not relevant."

0	1	2	3	4	5	6	7	8	9	10
Not relevant				Somewhat relevant				Very relevant		
Does not influence				Has some influence on				Strongly influences		
how I think, feel, or behave				how I think, feel, or behave				how I think, feel, or behave		
in this situation				in this situation				in this situation		

My Personality Characteristic/Attribute Rating:

1. This is the first personality characteristic.
2. This is the second personality characteristic.
3. This is the third personality characteristic.
4. This is the fourth personality characteristic.
5. This is the fifth personality characteristic.
6. This is the sixth personality characteristic.
7. This is the seventh personality characteristic.
8. This is the eighth personality characteristic.
9. This is the ninth personality characteristic.
10. This is the tenth personality characteristic.

Let's simplify it so it is just:

Instructions: Please check any of the following personality components/characteristics that you think might have influenced how you reacted in this situation.

Personality Component 1	☐
Personality Component 2	☐
Personality Component 3	☐
Personality Component 4	☐
Personality Component 5	☐
Personality Component 6	☐
Personality Component 7	☐
Personality Component 8	☐
Personality Component 9	☐
Personality Component 10	☐
